

Song Lyrics

By Chantelle Bee (Belanger-Sam)

Maniac

Life really fucked me up

It broke me down in pieces

It made me meet all the voices inside my head

They tell me this

They tell me that

Now im a fuckin maniac

And they whisper secrets i dont wanna know

But i know now

All these voices in my head

Got me goin mad

Ha ha ha ha

Im trapped in the chaos

Trapped in my own mind

But i dont mind

Cuz im a maniac

A story untold

And im fighting to stay alive

And i cant i cant escape it

So i misswell enjoy the ride

Im a maniac

All these voices in my head

Got me goin mad

Ha ha ha ha

They made me see

That i needed more

Then just one personality

Im a maniac (2x)

yeah

All these voices in my head

Got me goin mad

Ha ha ha ha

Yeah they made me meet all the voices inside my head

They tell me this

And they tell me that

Now im a fuckin maniac

They whisper secrets i dont wanna know

But i know now

I know now

Yeah im a maniac yeah

I know im a fucking maniac

Im a fuckin maniac

All these voices in my head got me going mad yeah

Im a fuckin maniac

Yeah im a maniac

Im a fuckin maniac

Hey yeah yeah

yah im a maniac

(The ending of the song)
