Watching You

Lyrics

When your feeling lonely and life tears you down
Theres no one quite like me im always around
Trust me when I say I wont let you feel
Any kind of Loneliness no more
Cuz ill be at your door

I know that the road will take me to you
Every step you make
Every move you make ill be there
And when you think im gone
Just turn around
And boom ill appear
Ill be there

I'll chase the night
And ill cross the line
Your heart will always beat with mine
You may not see me coming but trust me
I'll still be here watching
Watching you

In the dark i'll be your guiding light no matter what you say or do
Cuz my love is true
Cuz i'll be your whispers in the room
Those foot steps that are fading in the gloom
When you think your finally free of me
Just turn around
Cuz there i'll be

I'll chase the night and i'll cross the line
Your heart will always beat with mine
You may not see me coming but trust me when i say
I'll still be here watching
Watching you

Ill still be here watching
Watching you
Yeah yeah yeah yeah haha

I'll chase the night and i'll cross the line
Your heart will always beat with mine yeah
You may not see me coming through
But trust me when I say i'll be watching
Watching
Watching watching watching you

You cant hide
Cant hide from me
I'll be watching you
Watching you watching
Non matter what you do i'm watching you
