

Song Lyrics

By Chantelle Bee (Belanger-Sam)

Make it rain

encore

I just love money

Klein

Just give me that fuckin money

i'm running high and I need some cash

a little wont cut it and i need it fast

stack it up till you reach the mountain top

don't play me cheap like that

Just give me that fuckin money

give it give it give it

just give me that fuckin money

make it rain (repeast 2x)

I want your riches bitches

i just love money

yeah just go with it there no regrets

just give me what you got i need your riches bitches

i got money on my mind but i

need it in my hand

than ill never say goodbye

Just give me that fuckin money

give it give it give it

just give me that fuckin money

make it rain (repeast 2x)

i, i, i

i need your riches bitches

let me get that fuckin money

i just love money

klein

let me get that fuckin money

i just love money

Just give me that fuckin money

give it give it give it

just give me that fuckin money

make it rain (repeast 2x)

give me that fuckin money

yeah just give it give it give it

give me that fuckin money

make it rain (2x)

just give me that fuckin money

Just give me that fuckin money

give it give it give it

just give me that fuckin money

make it

make it rain
