## LYRICS

I know I shouldn't but I always do
running back to you everytime I say i never wanna see you again
no matter what you do

*klien

Knowin I can get hurt again, still I return again
is it the pain I crave
or am I insane
or do I just like how my heart aches

Running back always running back to you
no matter what you do
must be a spell you pur on me
why cant I leave you be
Running, always running back to you
no matter what you do

Maybe I just love your game
that I'm sick of playing
yet I play and I play and I play again

## LYRICS

I know i deserve, deserve better then
then the way taht your treating me
wish I could just let you be

Runnning back, always running back to you
no matter what you do
anyone in my place would just stay away
but yet I stay, why do I stay

Loving you is a losing game
everytime I try to walk away
instead I walk backwards back into your arms
what the hell, what the hell am I thinking

Runnning back always running back to you
is it the pain that I love so true
domI love the heartache
do I love how it feels
do I like being such a fool

Like a month to a flame
Im drawn to the burn

Running back, always running back to you
even though I know its breaking me down
Running back, always running back to you
runing back to you, running back to you
no matter what you do

Runing back, always running back to you
knowing ill get hurt again, but still I return again
still i coming running back into your arms again
running back to you
