

Song Lyrics

Places

feat and produced by HoobeZa

I'm gonna take you to them places

that you have never been

baby its gonna be amazing

only you and me (2X)

only you and me I know

when we go to these places

that most the time spent

will be under the sheets

in the hotel

oh you make me feel like flying

oh you make me feel like I can shine

like I'm already in the sky

oh I cant stop smiling

oh I know I know iknow

when we go to the places

the time spent will be in the hotel sheets

come on baby haha

I'm gonna take you to them places

that you have never been

baby its gonna be amazing

only you and me (2X)

you and me baby

**I don't wanna set you free
we gotta make some history together
and never be the same again
and with you I want you to hold my hand in my room
and I want you to stay
stay stay in the hotel sheets
oh baby let me take you you
stay in the hotel sheets ha**

**I'm gonna take you to them places
that you have never been
baby its gonna be amazing
only you and me (2X)
them places (3x)**
