

Song Lyrics

By Chantelle Bee (Belanger-Sam)

Why you gotta be like this

Howcome you gotta act out like this

saying all these things

whats this about

and your walking around like you

don't give a fuck

I see the fire still

what's with the Attitude

whats with the mood

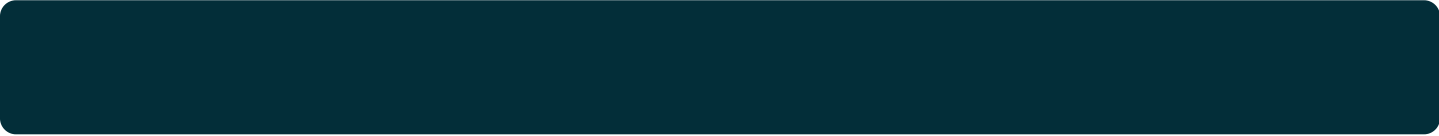

your switching it up to much

cuz one minute your sweet

the next your a dick

what the hell

what the hells going on with you

why why you gotta be like this

whats going on with you

saying things i dont understand

why why you gotta be like this

why you actin out again

whats the deal

whats this about

you got to why

why you being so cruel

im feeling so confused right now

whats your deal

cuz one minute your hot and the next

its so icy

cuz your switching up the stories now

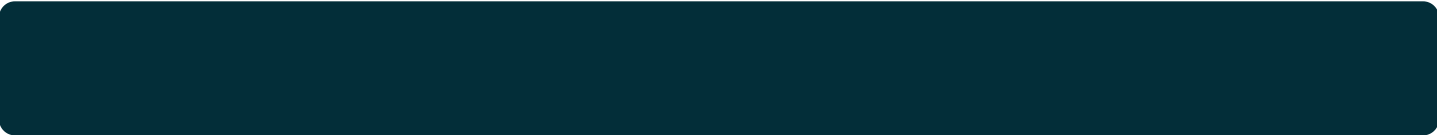

and you got me foldin now

your being so loud stop the yelling

stop this stop this now

did i catch a little bit did i catch a little bit of attitude

as you got me foldin too

why why you gotta be like this

whats with the attitude

what the hell whats wrong with you

why why you gotta be like this

why you actin out again

what the hell is wrong with you

why why you gotta be like this

what the hells going on with you

saying things i cant even tell

why why you gotta be like this

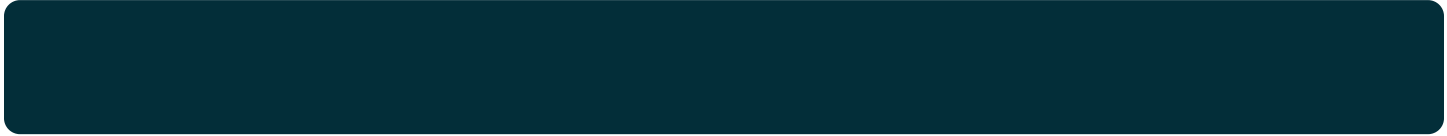

why you actin out again

just tell me lets work it out

cuz your switchin up your stories
and your switchin switchin it up
did i catch a little bit of attitude
whats with the mood
why why why
you got me foldin now
got me angry now
got me questioning why im here
tell me what the hell is going on with you
why why you gotta be like this
why you actin out again
sayin all these things whats this about
why why you gotta be like this
why you actin out so badly
why why why
why you gotta be like this
everytime i feel that everythigs all right
you turn around and be foolish
why why you gotat be like this
why you actin out again
saying things whats this about
why why you gotta be like this (X3)
why lets talk this out
why you gotta be like this
lets work it out

(The ending of the song)
