

Song Lyrics

By Chantelle Bee (Belanger-Sam)

I was Wrong

thought we had a love that could
never never break
now the truth is out and its so hard so hard to take
and I believed in every word you said to me
but your actions spoke much louder don't you see
how could you treat someone you love so un kind
you acted like you cared you played with my mind

when I gave you my heart completely and trust in you
now I'm left here feeling so confused

thought you loved me but I was wrong

thought we always be but once again so wrong

how could you love someone and treat them so wrong and now I'm left with
heart ache so strong

thought we have a life so pure and future so bright

but you shattered it with all your lies

how could I miss the signs so clear

the way you treated me so unfair

oh so unfair

thought you loved me but I was wrong

thought we always be but once again so wrong

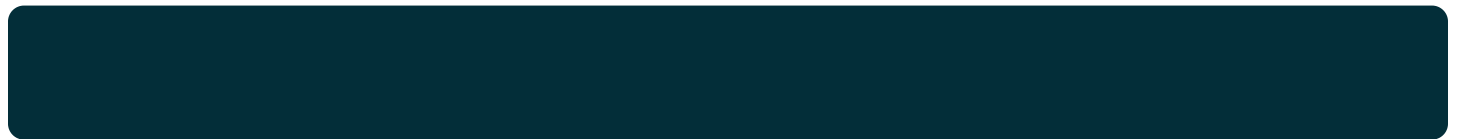

how could you love someone and treat them so wrong and now I'm left with
heart ache so strong

I thought you loved me

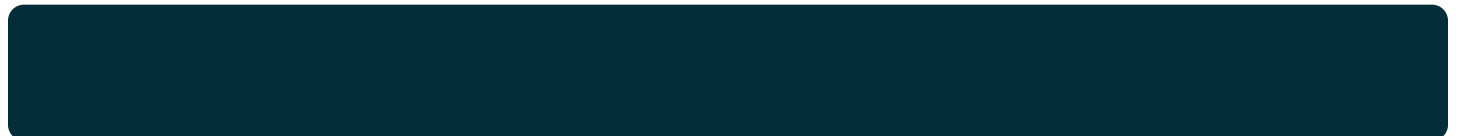

I was wrong so wrong

how can you love someone and treat them this wrong

thought you loved me but I wrong
