

Song Lyrics

By Chantelle Bee (Belanger-Sam)

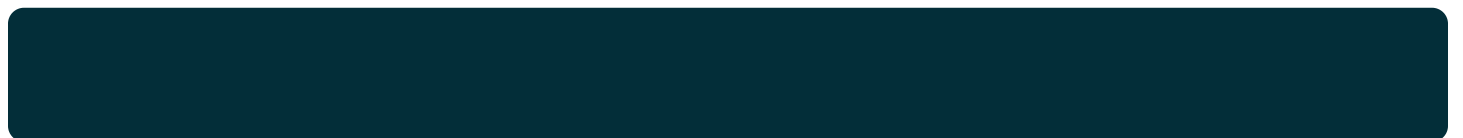

Lost In Sea

I gave my heart away so willing
to the one I loved and trusted blindly
but now the pain inside is cutting me so deep
you shattered my faith
left me in complete
now I'm drowning in hurt
and forgiveness is not your friend this time
lost in sea
of doubt and misery
betrayed by the one I thought I see tomorrow
wounds so deep
and scars so clear
forgiveness is not in the cards

not this time my dear
lost in sea of pain sorrow and misery
betrayed by the one I thought I see tomorrow
searching for some answers but
there never come
just wanna be set free
from this hurt you caused me
lost in sea of this doubt and misery
betrayed by the one I thought I see tomorrow
wounds so deep and scars so clear
not sure I can amend this broken heart once again
oh this betrayal so real
wish I could forgive and let go and be free
lost in sea please save me
lost at sea
betrayal so real
betrayed by the one I thought I see tomorrow
lost in sea
oh betrayal so real
these wounds won't heal
save me save me cuz I'm losing
yeah I'm lost in sea
