i need i need i need to know
i need to know
i need i need i need to know

im sittin here
trying to te read betwewen the lines
wonderin if your heat beats only for mine
i gotta ask myself if this love is true
or do you have another woman fuckin you
caught up in this doubt once again
searching for some answers

cuz im trying to figure this shit out
you need to tell me the truth
cuz i need i need to know
i need i neeeded to know

am i the only one your lovin
tell me cuz i need i need to know
i need i need to know
i need i need to know
am i the only one your lovin darlin
tell me the truth tell me the truth

is this all a game to you
is this a waste of my time
cuz silence is all i here latley
just speak up and tell me whats on your mind
