

Song Lyrics

By Chantelle Bee (Belanger-Sam)

Wicked Grin

in the world of shadows

where pain resides

I been hurt to many damn times

where love divides

but now I'll take control haha yeah

I'll wear the mask of darkness

embrace the night

a villains heart

no more tears in sight

I'll break the chain

protecting myself from heart ache

with my wicked grin

mm my wicked grin

I'll be my own enemy

I can see the villain within ha

with my wicked grin

mmmm yeah with my wicked grin

you wont be able to stop me

no no no haha

no longer the victim

I'll choose my own fate

unleashing my power

embracing the hate

no man will cause me pain again

you'll see

I'm a super hero villain

my strength I'll regain

watch my watch my wicked grin

I'm a super hero villain watch my

wicked grin

oh I my wicked grin watch my wicked grin

I can be my own enemy

I'm a villain within ha

oh my watch my wicked grin

I don't take no shit from anybody

I'm a villains within with super powers you see

if I have pain its caused by me not you no

I don't need no man telling me what to do

I can do bad all by myself

I don't need you

I can do it by myself

oh wow watch my wicked grin oh i

I can do bad all by myself

I don't need no man

for that too

oh ah watch my wicked grin

I'm a super hero villain

oh I don't need no man

I can do bad all by myself

ooooooooh
