

Song Lyrics

By Chantelle Bee (Belanger-Sam)

Gasping 4 Air

Let this be a lesson
as your playing the victim
yeah come on scream and shout
cuz no one can hear you now

yeah you wanna play rough
cuz you played with the wrong
bitch this time around

I go news for you
you thought i was sweet nice kind and true

you pushed me to my limit

yeah you made a mistake

you got me mad

now theirs a price you gotta pay

in a instant now you got me transforming

into a woman you dont wanna meet

best believe me

cuz ill make you mad

to the point of despair

ill have you locked up

in your own mind

gasping

gasping 4 air

gasping (3x)

gasping 4 air (2c)

yeah yeah

beware my anger can take a different form

im a rollarcoaster of emotion

cant empathise this more

but deep down im still the same

as love and compassion as my aim

im working to find a better way

handling my anger day by day
but for now you better watch out
cuz you pissed me off like that
yeah better watch your back
cuz im really really super mad
yeah you pushed me to my limit
yeah you made a mistake
you got me mad
now there a price you gotta pay

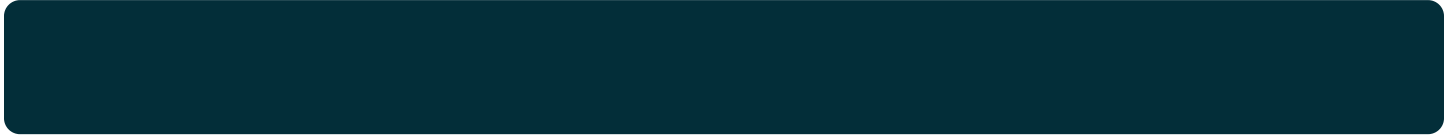

cuz in a instant im transforming into a woman you dont wanna meet
yeah you best believe me
believe me
haha you best believe

cux ill make you madto the point of despair
ill have you locked up in your own mind
gasping 4 air
locked up in your own mind
gasping 4 air

1 2 3 4 5 6 7 now your gonna get it now your gonna get
go ahead and scream and shout
yeah you got me so damn mad
you'll be gasping 4 air

(The ending of the song)
